

Welcome September 2023

We hope your term has got off to a good start, and your ECTs are settling in. We look forward to working with you to ensure the process of induction for them is as smooth and successful as possible.

Celia Moore, Unity TSH Appropriate Body Lead, will be running the **Appropriate Body Welcome and AB Induction Sessions for ECTs**, and the **Induction Tutor Training** in the coming weeks. The mentor's role is aligned to the ECF rather than statutory induction. However, should mentors wish to attend the training to gain an understanding of statutory induction they will be very welcome. These 90 minute sessions are scheduled on-line via Zoom and will provide essential information, updates and guidance on the processes involved in the AB aspect of ECT induction.

Induction Tutor Training must be updated every 2 years. This training is relevant for all Induction Tutors who would like this update. This session is repeated, therefore book one session only. All new ECTs must attend one ECT Welcome and AB Induction session. This session is repeated, therefore book one session only.
