

### Welcome and Update Sessions in preparation for September 2023

Thank you for registering your ECT with Unity TSH Appropriate Body. We look forward to working with you to ensure the process of induction is as smooth and successful as possible.

Celia Moore, Unity TSH Appropriate Body Lead, will be running the **Appropriate Body Welcome and Update Sessions for ECTs, and the Induction Tutor Training** in the coming weeks and again at the beginning of the autumn term. The mentor's role is aligned to the ECF rather than statutory induction. However, should mentors wish to attend the training to gain an understanding of statutory induction and the relationship between the two they will be very welcome. These 90 minute sessions are scheduled on-line via Zoom and will provide essential information, updates and guidance on the processes involved in the AB aspect of ECT induction.

Induction Tutor Training must be updated every 2 years. This training is relevant for all Induction Tutors who would like this update.

All new ECTs must attend one ECT Welcome and AB Induction session.
