

➔ **MISSION – providing, promoting and implementing excellence in professional learning**

Unity Teaching School is the designated Teaching School Hub for EENEL8 area – as a collaborative organisation we commit to providing all schools in the area excellence in professional learning to grow and nurture great staff, teachers and leaders, ensuring every pupil, regardless of their background experiences a great education.

🎯 **CORE PRINCIPLES – underpinning our culture**

Values-driven

we have a strong sense of moral purpose; our values demand and nurture personal responsibility; we live our values

High expectations of all

we set ourselves ambitious targets; we create and reinforce a culture of achievement and support in all we do

Relentless focus on learning

we prioritise professional learning; we establish partnerships with thought leaders and we are always learning

📋 **VALUES**

Honesty

we are truthful

Integrity

we avoid placing ourselves under any obligation to those who might try to inappropriately influence our work

Selflessness

we act solely in the interest of children and young people

🧠 **VIRTUES**

Trust

we are trustworthy and reliable

Wisdom

we use experience, knowledge and insight, serving our schools with propriety and good sense

Service

we are conscientious, dutiful and demonstrate humility

💡 **VISION**

All schools in our designated area access and experience excellence in professional learning through the DfE's golden thread.

We create cohesion through collaboration with neighbouring Teaching School Hubs for the benefit of all schools and their pupils.

We influence regional and national development of professional learning.
